Japan Disaster Donation directly to the Japan Red Cross through EJCA

Thank you for your support!

Please fill in the form and attach your donation (by a cheque if sending by Canada Post or cash/cheque if delivering to the office).

Note: EJCA will send the donations directly to the Japan Red Cross. This is the same process as donations going to NHK (like CBC in Japan) and to the Calgary Consulate General's Office. It was confirmed with the Japan Red Cross that the money would go directly to the prefectures that are in disaster. You will not receive a tax receipt if you donate through EJCA. If you need a tax receipt, please donate to other Canadian organization such as Canadian Red Cross.

A cheque: Payable to **"EJCA"**
Address: EJCA Office
